

Year 2 (ready for Year 3) Summer Learning Pack

1. Complete your topic research.

2. Begin to learn your 3, 4, and 6 times tables.

3. Complete some of the hopscotch challenges.

4. Test yourself! Can you read and spell any of the Year 3 and 4 spelling bank words?

5. Write a story linked to your topic next half term, or about something else entirely that takes your interest!

6. Read at least 1 book a week.

Why don't you visit the library and take part in their summer reading challenge?

7. Take part in the RSPB Wild Challenge or the National Trust activities.

But most of all just have fun!!!

Topic Research

Your topic in the Autumn Term will be: Black Out!

*This topic is based around Britain since 1938/World War 2.

Please research the topic using the internet, talking to family members or by going to your local library.

You could record your ideas through drawing, writing or even make a recording.

How about creating your own piece of war art?

Any work will be added to our class display.

Hopscotch Challenge

Hopscotch is a great way to practise many of your maths skills, so get thinking. How many games can you come up with?

Here are some ideas to get you started.

- 1) Write different start numbers on the hopscotch. Can you write the rest?
- 2) Create your own addition hopscotch.
- 3) Write addition/subtraction/multiplication calculations to make the numbers 1 -10?
- 4) Write a selection of numbers on the hopscotch. Jump to the number that is one more or one less than ...?
- 5) Write 10s numbers on the hopscotch. Throw an object onto any number. Say the number you would add to make 100?
- 6) Throw an object onto the answer to a given question.
- 7) Use the sections of the hopscotch to colour in different fractions.

8) Set yourself time challenges.
